A LETTER FROM LITTLE RED DOOR'S DIRECTOR & CEO

This past year was one of tremendous growth and transformation for Little Red Door. In 2018, we completed several big projects that will improve how we serve our clients. We set a new fundraising record at our annual Face of Hope Breakfast. We provided more services for clients than ever before.

We completed our \$2.1 million renovation of our building at 1801 N. Meridian, transforming our space into a beautiful, welcoming and accessible center for our clients, staff and community. We enjoyed celebrating our new space with our friends during our grand reopening in May. With the updates to our building we were able to expand our services and serve more people through our additional programming.

Little Red Door also expanded into six new counties in east-central Indiana. We now offer services to Hoosiers in Blackford, Delaware, Jay, Henry, Madison and Randolph counties in addition to our traditional metro counties. We have had wonderful feedback from donors and clients in this new area and are very excited at the possibility of helping more Hoosiers facing cancer. We also held our 1st Annual East Central Indiana Face of Hope Breakfast that was an overwhelming success.

We could not accomplish any of this without our friends who helped along the way. Board members, table captains, committee members, donors, foundation representatives, staff, volunteers... your continued support is why we're able to serve our community. Our organization could not be successful without you all. Thank you for all you do. We are always humbled by your support in helping us make the most of life and the least of cancer.

Fred Duncan
Director and CEO

FACE OF HOPE BREAKFAST

The 11th annual Face of Hope Breakfast was held on Thursday, November 15, 2018 at the Indiana State Fairgrounds Expo Hall. This year's breakfast set a new fundraising record, raising \$353,687! Each year this event continues to grow, and 2018 was no exception with a record number of RSVP's at almost 1,400. Even with icy roads the morning of the event, the attendance was still remarkable. We would like to thank everyone who attended and donated in 2018 to help

make this possible.

We hope you will join us in 2019 for 12th annual Face of Hope Breakfast on Thursday, November 21 to celebrate the impact our supporters have in helping Little Red Door make the most of life and the least of cancer. If you are interesting in attending, contact Morgan Jessup at mjessup@littlereddoor.org or call 317-602-1269.

CANCER SURVIVORS DAY

On Sunday, August 12, 2018, Little Red Door sponsored Cancer Survivors Day at the Indiana State Fair. LRD's goal in hosting Cancer Survivors Day is to educate the community on its mission and services, focusing on Door to Wellness and educational programs that teach the importance of nutrition and physical activity. Cancer Survivors Day provides cancer survivors and their families an opportunity to celebrate survivorship, stress the importance of early detection and follow-up care, and connect survivors to local resources. In 2018, over 12,000

Hoosiers visited Survivor's Lane and interacted with LRD's partners for an educational experience. Visitors were able to contribute words of encouragement written on a fabric square as a part of the community art project that is on display in LRD's building at 1801 N. Meridian.

Little Red Door helps individuals all along the continuum of cancer care and this event helps celebrate not only survivorship, but also the organization's years of work in the community to help individuals get to survivorship. Join us this year on Sunday, August 11, 2019!
