# A LOOK AT WHAT WE PROVIDED IN 2020

**15,611**

## NAVIGATION CALLS

Our Client Navigators answered over 15,000 phone calls in 2020. Through these conversations we identified barriers to healthcare and connected clients with resources to help them make the most of life and least of cancer.

**116,226**

## MEALS

We provided over 116,000 individual meals to cancer patients. Over 114,000 of these meals were in the form of nutritional supplements. Through new partnerships with Gleaners Food Bank and Second Helpings we provided an additional 1,578 meals in the form of prepared meals and food boxes.

**1,788**

## CLIENTS SERVED

We served over 1,700 Hoosiers in 2020 through direct services. In addition to those that received direct navigation, we also served 1,331 clients through our virtual programs and services.

**24,968**

## TRIPS TO TREATMENT

We provided over 24,000 trips to life-saving cancer treatments, at no cost to our clients. A cancer patient's ability to fully comply with and complete their physician's prescribed treatment program is one of the largest contributors to positive outcomes for a cancer diagnosis.

**1,495**

## EMOTIONAL SUPPORT CALLS

We provided nearly 1,500 emotional support calls to cancer patients and caregivers in 2020, an increase of almost four times more calls than in 2019.

**3,018**

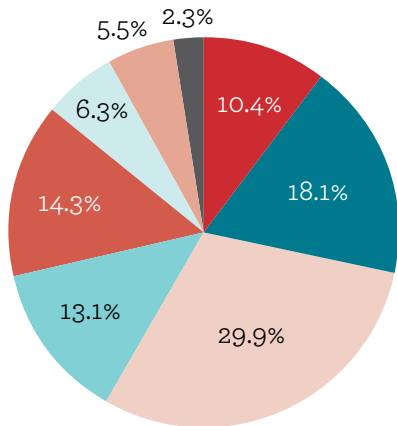

## VIRTUAL SURVIVORSHIP PROGRAMMING

With the help of great partners, we provided virtual Door to Wellness, our survivorship programming in 2020 - from cooking demos and fitness classes to meditation and self-care courses, we were able to step into the gap to meet people where they were.

# FINANCIAL REVIEW

## Support

Individual Contributions 29.9%	\$651,234
Covid Funding 18.1%	\$393,401
Foundations and Grants 14.3%	\$312,298
Corporate Contributions 13.1%	\$285,215
United Way Funding 10.4%	\$227,123
Commercial Grants 6.3%	\$136,643
Endowment 5.5%	\$120,617
Bequest 2.3%	\$50,890

**TOTAL SUPPORT: \$2,177,421**

## Expenses

**TOTAL EXPENSES: \$1,927,911**

### Ways to Give: PLANNED GIVING

A bequest is a simple way to make a significant gift to help those in need. When you include Little Red Door Cancer Agency in your will or trust, you become a member of the Bold Society and support the future of Little Red Door's services for adults and children on the cancer continuum. Whether you would like your donation to make an impact today or go into effect after your lifetime, there is a charitable plan that lets you provide for your family and support Little Red Door.

## FACE OF HOPE BREAKFASTS RAISE OVER \$460,000 IN 2020

**AN INCREDIBLE \$467,712** was raised in 2020 through our annual Face of Hope Breakfast events. This

wouldn't have been possible without support from our dedicated Table Captains and donors like you. Thank you!

Proceeds from the Face of Hope Breakfasts provide transportation to and from cancer treatments, support services and therapies, nutritional supplements and more to help underserved cancer patients in Indiana make the most of life and the least of

cancer. The agency is dependent upon its success to fuel our mission.

As with most things in 2020, we had to think outside of the box. Using an amended format to protect the health of attendees, we streamed our Face of Hope presentations online via Zoom. Using small-size Zoom rooms allowed friends and coworkers to greet each other before the presentation and preserve a social element of the event. The event's success wouldn't have been possible without the 100 Table Captains that stepped up to serve.

"We are humbled and inspired by the outpouring of support at this year's Face of Hope Breakfast," said Little Red Door's Director and CEO Fred Duncan. "Achieving record setting results in this difficult year is testament to the kindness and generosity of our donors."

*To learn more about becoming a Table Captain or an event sponsor, please contact Chief Advancement Officer Mandy Pietrykowski at [MPietrykowski@littlereddoor.org](mailto:MPietrykowski@littlereddoor.org) or call 317.920.4685.*

# CLIENT NAVIGATION

**Navigation is the backbone of the work that takes place each day at Little Red Door.**

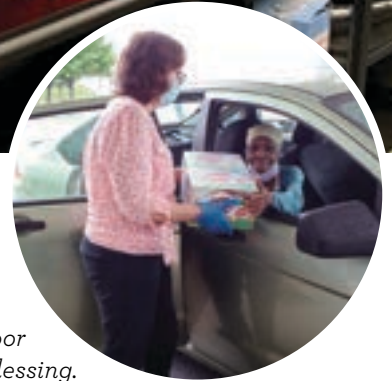

Little Red Door Navigators have always provided vital support to Indiana cancer patients and caregivers. In 2020, our Navigators encountered new challenges in serving our clients and found new ways to fill the gaps.

During the pandemic, cancer patients and their caregivers experienced unprecedented stress and isolation. Among the individuals most vulnerable to COVID complications, our clients often found themselves unable or unwilling to leave their homes except for treatment. This resulted in increased isolation, being cut off from their usual caregivers and supports by fear of the virus spread. They also began to face additional financial worries as the limited means

of support available during cancer treatment became even more limited.

Navigators extended additional supports through a tripling of home deliveries and nearly quadrupling emotional support conversations. The transition of the wig boutique to an online shopping forum, and the creation of a food assistance program in partnership with Second Helpings and Gleaners Food Bank were just a few of the ways our Navigators embraced innovation and went above and beyond to meet clients where they were.

As our Navigation team looks to 2021, we are excited to integrate the changes made in 2020 to a more robust service model. We are also looking forward to returning to our offices inside hospital treatment centers, where we can be most accessible to our clients when they need us.

*“Working for Little Red Door has been a blessing. Talking with clients face-to-face and on the phone is one of the aspects that I love the most. Sometimes we laugh; sometimes we cry; sometimes we just talk. I enjoy being a part of an agency that is all about helping clients throughout their cancer journey.”*

*Rebecca Owen, Client Navigator*

## 24,736

In 2020, we provided 24,736 navigation services, serving 1,788 unique clients.

**➤ For more information on our navigation services, contact us at any of our five locations.**

# Door to Wellness

## OUR SURVIVORSHIP PROGRAMS

Cancer survivors face unique challenges. The side effects of cancer treatment can result in barriers to wellbeing such as pain, reduced strength and flexibility, digestive system issues, lymphedema, fatigue, social isolation, and suppressed immune system. Our Door to Wellness programming offers our clients a space and opportunity to join a community of people facing the same journey and similar challenges. Fitness, nutrition and social connection programming along with side effect management help our clients design their new normal in ways that make sense for them.

Every bit of Door to Wellness programming is designed with the needs and desires of cancer survivors in mind. And perhaps most importantly—it's fun! In the face of COVID we knew just how important these programs and services were for our clients so instead of canceling them all together, we went virtual.

- In 2020, **1,192** virtual attendees participated in Door to Wellness activities.
- We provided **3,018** Door to Wellness activities throughout the year.

**“I came for a yoga class and the rest is history. I have fallen in love with this place. The instructors here, even the receptionist, they’re all so welcoming, it feels like family here.”**

Lora H.,  
*Two-time breast cancer survivor  
and Little Red Door client*

## Virtual Cooking, Crafting, Fitness & more!

### Cooking Classes

Cooking demonstrations are most certainly a client favorite. Clients were able to tune in every week to our Facebook page and follow along with a live cooking demonstration. These weekly opportunities teach clients how to prepare simple, healthy meals.

### Craft Boxes

While looking for more ways to connect clients with one another in a social setting, we implemented monthly craft activities. Clients signed up to participate in seasonal craft opportunities and were sent all the supplies needed.

### Fitness

Research tells us that staying active not only provides better outcomes during cancer treatment and survivorship, but also helps to reduce stress. Weekly, clients were able to participate in a variety of classes via Facebook Live and Zoom. We offered Yoga, Meditation, Massage Techniques and a variety of fitness classes for all levels in partnership with the YMCA of Greater Indianapolis.

**For dates and times for each of our locations, please visit [littlereddoor.org/events](https://littlereddoor.org/events)**

# YOUTH services

*At Little Red Door, our mission is to make the most of life and the least of cancer—for people of all ages.*

**W**hen cancer happens, it affects the entire family—especially for our pediatric clients. Children with cancer are even more dependent on those around them to care for them. At Little Red Door, our mission is to ease the burden that cancer creates for everyone affected. We provide our pediatric clients with the same care as our adult clients: transportation to and from treatment, nutritional supplements, meals and Door to Wellness programming, with the addition of multiple camp experiences throughout the year **available to any pediatric oncology patient in the entire state of Indiana.**

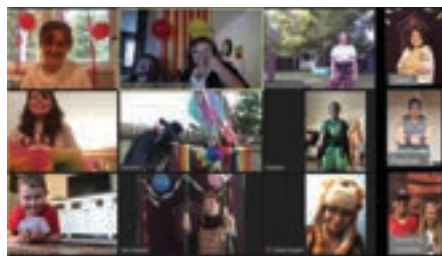

## **#VirtualCampLRD**

In 2020, the pandemic required LRD to pivot and meet our campers where they are - safe at home. We are proud that in the midst of a shifting normal, we were able to offer Camp LRD kiddos some of their pre-pandemic joy by shifting Camp LRD to #VirtualCampLRD. Through two weeks of Zoom link-ups, campers caught up and laughed their ways through Popcorn Olympics, Balloon Rockets, Cupcake Wars, and so much more.

As we look forward to 2021, one of our most anticipated changes will be the LRD-hosted online events for youth throughout Indiana impacted by cancer. On the second Tuesday of every month, with events such as Pancake Art, Science Experiments, and

Kids in the Kitchen, everyone is sure to have a blast! And with the provision of all supplies by LRD, no family need hesitate to sign up their entire household.

While we look forward to the day we can all be together in person again, we are excited to offer the kids and their families something they have been asking for since before the pandemic - a chance to stay in touch with us and each other all year long! That's why you will continue to find #VirtualCampLRD events on our calendar even after we begin in-person camp events.

## ***It's Been a Long Day Without You, My Friend***

In order to protect the lives of immunocompromised cancer patients, Bradford Woods will not host camps again in 2021. We have put together a plan to create exceptional experiences, safely and socially distant, for our kids and their families. We can barely contain ourselves we are so excited about seeing our campers again in 2021!

Little Red Door was the agency I didn't know I needed, until I needed it.

Scott M., Colton's Dad

# delivering **SMILES**

**2020** presented a variety of challenges for our clients, one of which we quickly learned was safely accessing food and groceries. While Little Red Door has been providing meals in the form of nutritional supplements for years, this was something different. We partnered with Gleaners Food Bank and Second Helpings to provide non-perishable goods and pre-prepared meals to our clients.

The biggest challenge grew to be: how do we get these meals directly, and safely, to our clients' homes?

For years, Little Red Door's volunteers, Delivery of Hope drivers, have delivered medical supplies and nutritional supplements to clients. The need for these volunteers grew in 2020 when we recognized that home delivery was the safest option for providing our clients with important nutrition.

Within weeks of starting our partnership, we had dozens of people raise their hand and say, "I'm here, put me to work." Drivers commit 2-3 hours every other week and deliver anywhere from 3 to 5 deliveries a shift. Many of

these deliveries contain pre-made meals, non-perishable food boxes and vital nutritional supplements. In 2020 our volunteers made 544 deliveries.

**"The best part about being a driver is all the people I get to meet, whether they are at Little Red Door or patients that are looking forward to my delivery. I've had the pleasure of delivering to some great men and women."**

*Cynthia L.,  
Delivery of Hope Driver*

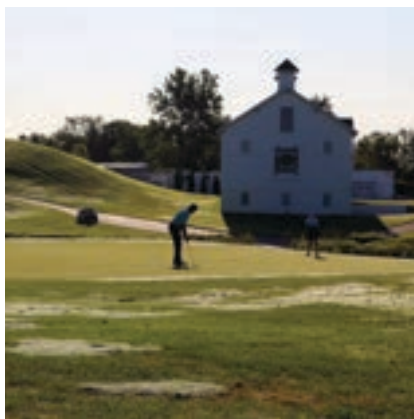

It is with sincere and heartfelt thanks that we recognize the Delivery of Hope drivers that kept our clients safe and fed this year - we so appreciate them.

## CAMP LITTLE RED DOOR GOLF OUTING

There's no doubt that Camp Little Red Door is the highlight of our Youth Services, but what makes camp possible? For more than 30 years, the annual Camp Little Red

Door Golf Outing has been hosted to provide monetary support for camp. This annual event is put on by devoted and passionate volunteer, Bob Grand. In 2020, the event raised more than \$157,000 and (safely) welcomed more than 100 golfers supporting Youth Services at Little Red Door. Thank you to Bob, the golfers, and each sponsor that make this tournament and our Youth Services, possible!

# Transportation program provided nearly 25,000 rides to cancer treatment

Transportation to cancer treatment is one of the most significant barriers for cancer patients.

Through our transportation program, Rides of Hope, we provide free transportation to and from treatment for people with cancer who do not have a ride or are unable to drive themselves. We coordinate and schedule rides for our clients or provide them with gas cards.

“Research tells us that cancer patients who do not comply with their treatment as prescribed have higher mortality and recurrence rates than cancer patients who are compliant,” Little Red Door’s Director of Client Services, Amanda Heckelsberg Wolfe said.

“Yet among many cancer patients, particularly patients of lower resources, transportation to and from cancer treatment five days a week for six straight weeks can be a significant barrier to treatment completion.”

In 2020, while other agencies had to stop transportation, we stepped into the gap and were able to

# 24,968

In 2020, we provided 24,968 rides for cancer patients to and from cancer treatment.

As the world was shutting down, cancer wasn’t cancelled.

continue ours, expanding to pick up other cancer patients needing support getting to and from treatment.

“I’ve depended on [Little Red Door] to get me back and forth to my cancer treatments. It’s been wonderful not to worry about transportation. It’s been very important to me to relieve me of that stress so I can focus on getting through my treatment.”

Edward C.,  
*Little Red Door Client*

# BE A PART OF THE BOLD SOCIETY

*Create and leave a lasting legacy.*

The Bold society is a planned giving society that helps ensure the future of Little Red Door's services and could also further your financial goals. If you would like more information, please contact Chief Advancement Officer Mandy Pietrykowski at MPietrykowski@littlereddoor.org or call 317.920.4685.
